

# Cat Lover Survey Form

## Description

The Cat Lover Survey Form is an interactive web form designed for cat enthusiasts. It allows users to share their experiences, preferences, and opinions about cats. This form is created using HTML for structure and CSS for styling, making it simple, yet visually appealing.

## Features

- **User-friendly:** A well-organised form for easy navigation and response submission.
- **Responsive Design:** The form is designed to work across various devices and screen sizes.
- **Customisable:** Feel free to modify and personalise the form according to your needs.

## Files Included

- **index.html:** The main HTML file that contains the structure and content of the survey form.
- **styles.css:** The CSS file responsible for styling the form and making it visually appealing.

## How to Use

1. Clone or download this repository to your local machine.
2. Open index.html in any browser to view and interact with the survey form.
3. Modify the HTML and CSS as needed to suit your preferences.
